

## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 19 and 21-24 allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art of record, taken alone or in combination, fails to teach or disclose in light of the specifications, **claim 19)** an array substrate for an active matrix type liquid crystal display (LCD) device wherein the short-preventing part has a stepped portion that overlaps a stepped end portion of the gate line, and wherein the short-preventing part includes that semiconductor layer and the passivation layer; and **claim 22)** an array substrate for an active matrix type liquid crystal display (LCD) device wherein the storage capacitor further includes a short-preventing part disposed between the pixel electrode and the gate line, and wherein the short-preventing part includes the semiconductor layer and the passivation layer.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Conclusion***

Any inquiry concerning this communication or earlier communications from the examiner should be directed to RICHARD H. KIM whose telephone number is (571)272-2294. The examiner can normally be reached on 9:00-6:30 M-F.

Art Unit: 2871

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David Nelms can be reached on (571)272-1787. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
